

Social Media

We are active in our community as well as online with our customers. We love hearing from you, seeing pictures of your projects and sharing your experiences with your friends. Please click on the links above to learn more about our various social media sites and share! Use hashtag #SoundCedar in your posts as well!

Facebook

Facebook is a popular social media website that allows people to connect easily and from long distance. We utilize our Facebook page to reach out to our fans and give relevant tips, special offers and design ideas. Post a comment, review, question or picture of your project to our Facebook page!
